Final Lineup For Cape Town Startup Week 2019

Zsuzsa Kandra

December 2, 2019

After weeks of preparation by the teams from Workshop17, Wesgro, Waterfront, Startup Grind, Future Females and Heavy Chef, the final lineup is here. Many of the events are free. The themes for this year are Wellness, Technology, Investment, Leadership and Celebration.

During the week, delegates can pop in and pop out as they choose. Many of the workshops are free and the spirit is that of celebration. The week culminates in the announcement of South Africa's Top 5 Most Exciting Startups 2019. There are three workshop and event venues situated at Workshop17 Watershed, at the V&A Waterfront. Come through and meet with the CTSUW2019 staff, we'll all be there to assist you select your workshops.

Topics:

- Wellness: Yoga, Meditation
- Technology: Data Science, Startups, Podcasting, IP, Fintech, Yoco Meets
